## Workshop Proposal

"Discover Your Significance Assessment"

### Abstract

Leading a life of significance is a journey and like any journey it's important know where you are on that journey. I carefully selected twenty-five questions that helps a participant discover where they are on that journey. Once the participant discovers where they are, I provide them practical action steps on how to advance to the next level.

"This course is a value for both work and home life. Erick does a great job of helping people find their way to a life of significance." -Workshop Attendee

### Learning Objectives

1. Discover the three life modes of significance.
2. Understand the assessment results and action steps to advance to the next life mode.
